

**Travel & Activity Club
2009 – 2010**

Dad Bill and I hope that Daughters and Adults will want to travel and attend as many of the activities planned during the year for Job's Daughters Virginia. Traveling affords you the opportunity to meet people in the Virginia Job's Daughters family and establish lasting friendships.

To encourage travel, Daughters and Adults have the opportunity to earn points for numerous activities. To qualify, you must earn 25 points. For each activity you attend, you will earn one point. When you reach 25 points present a breakdown of your activities to the Grand Guardian or Associate Grand Guardian at a Grand Visitation or at Grand Session 2010. You will then be presented with one of our travel pins.
